INTITULÉ DE LA RECHERCHE

Good Governance in the Caribbean: Reviewing the Role of Civil Society and Local Democracy in Urban Development.

OBJET DE LA RECHERCHE

The project seeks to discover the sources of the low levels of political participation and high levels of political cinicism among citizens in relation to their orientation towards local democratic institutions in the Caribbean. The hypotheses that will guide the project partains to the interconnectedness of governance and development.

RÉSUMÉ DU RAPPORT INTERMÉDIAIRE (À VENIR)

RÉSUMÉ DU RAPPORT FINAL (À VENIR)
